A Sight Word Game

Fry Words 1-100

©K.Marano

Stop!

Included in this packet are the Fry words 1-100. Use as flashcards or for my easy sight word game Stop! This has been my students favorite sight game for years. Mixed into the deck of cards are several cards labeled stop. A student's turn continues as long he/she reads the word card correctly. Play moves to the next player when a word is read incorrectly or a stop card appears. The student with the most cards at the end of the game is the winner. I love this game because it's quick, easy and it builds sight word fluency.
